

## Author Profiling In The Case Of David Myatt And Anton Long

David Myatt, 2005

For decades opponents of the Occult subculture known as the Order of Nine Angles {1} as well as antifascists who have a hatred of David Myatt because of his past as a neo-nazi activist, {2} have claimed that Myatt is not only the person behind the pseudonym 'Anton Long' but also founded the Order of Nine Angles (O9A, ONA) in the 1970s and wrote most of its primary texts.

When asked by proponents of O9A subculture or by supporters of Myatt to provide evidential facts (evidence acceptable in a Court of Law) they have: (i) remained silent, or (ii) taken refuge in the fantasy that anyone asking for such evidence is Myatt himself, or (iii) committed the logical fallacy of ad populum, claiming it is "self-evident" because so many others believe it, or (iv) committed other logical fallacies such as argumentum ad verecundiam - appeal to authority - by citing the personal opinion of some person or some opinion piece (propaganda) by antifascists or citing someone who committed the fallacy of Incomplete Evidence. {3}

In more recent times two well-financed, Establishment-connected, antifascists have threatened to engage the professional services of an 'author profiler' who using forensic linguistics they believe will be able to show that Myatt was Long and the author of most of the primary O9A texts.

However, such an outcome is unlikely for several reasons. The first is that author profiling is subjective not empirical and thus not definitive. Second, and most important in this case, the task would be formidable with the result easily open to question given the volume of material written by both Myatt and the pseudonymous Anton Long over several decades and given that the forensic profiler would have to subjectively select what texts from what years to compare. What would their subjective criteria for such a selection be? To compare a few texts from around the same time? To compare a few texts from the same decade? To compare just a few or dozens of texts from three or four decades?

Since 1984 with the publication of his 45 page tract *Vindex - Destiny of the West* to 2022 with the publication of his *Numinosity, Denotata, Empathy, And The Hermetic Tradition*, Myatt has written thousands of pages of texts. The texts also vary in subject matter, from polemical propagandistic texts in support of National Socialism (1984-1998) to ideological tracts in support of his 'ethical National Socialism' (1996-1998) to items supporting a particular and radical interpretation Islam (2001-2008) to his post-2012 writings about his philosophy of pathei-mathos to his autobiographical effusions such as his 2014 collection of essays titled *One Vagabond In Exile From The Gods* and the letters included in parts two and three of his *Understanding and Rejecting Extremism*. There is also the matter of Myatt's translations of and commentaries on tractates of the Corpus Hermeticum (2017) and his 2017 scholarly monographs *Classical Paganism And The Christian Ethos* and *Tu Es Diaboli Ianua*.

In the case of Anton Long there are also thousands of pages of texts, from some of the typescripts included in *Naos* (1989) to *The Satanic Letters* (1992) to *Enantiodromia - The Sinister Abyssal Nexion* (2012).

The issue is further complicated by writings published between 1992 and 2011 which do not bear the name 'Anton Long' and thus are anonymous but which anonymous texts many critics have assumed were written by Anton Long but for which assumption they have not and never have provided any evidence. As described by Rachael Stirling in 2021,

"Crucial to understanding and appreciating O9A philosophy is the study of the writings of Anton Long, 1976-2012, for they are the primary sources, the only primary sources, of that philosophy. Which writings were published under that name or using the two pseudonyms which he himself has acknowledged, which are (i) "Stephen Brown", with reference to the two volumes of *The Satanic Letters*, 1992, and (ii) "Thorold West", with reference to the manuscript of *Naos: A Practical Guide To Modern Magick*", 1989. These primary sources include those two works, the four novels of the Deofel Quartet published between 1976 and 1992, *The Last Writings of Anton Long* published in 2012, and the classic texts *The Gentleman's - and Noble Ladies - Brief Guide to The Dark Arts* (2008), *Concerning Culling as Art* (2011) and *The De-Evolutionary Nature of Might is Right* (2011).

Other sources - O9A texts published between 1990 and 2012 - are therefore secondary and tertiary sources and represent the interpretations and opinions of others regarding Anton Long's philosophy and the Seven Fold Way that he devised.

For what has hitherto been rejected or ignored by O9A critics, by some O9A supporters, and by all O9A opponents, is the scholarly detail, the view, that not all O9A texts published between 1990 and 2012 were

written by Anton Long, whomsoever he was. Thus of all the texts in the three volumes of Hostia, published in 1992, only a few have the name Anton Long, or the initials AL, or the name Stephen Brown, attached to them, and it is an un-scholarly but common mistake to assume that uncredited texts - such as the one titled *Conquer, Destroy, Create* in volume II of Hostia - represent his, that is O9A, philosophy." {4}

### **O9A Manual Of Style**

A further complication in the matter of O9A texts is the O9A Manual of Style which was mentioned on internet forums and 'blog' posts between 2014 and 2016 {5} in response to those using what came to be called the Aquino fallacy:

"The person using [the] fallacious [Aquino] argument will claim that since one or more ONA blogs or websites, or some articles, use the same or similar styling and/or layout as some blog or website or article by or assumed to be by Myatt, it means that Myatt is behind them all - clearly ignoring the obvious fact that such similarities, if not just coincidental, could well be a deliberate imitation designed to get mundanes to jump to such a silly, fallacious, conclusion." {6}

This led to the publication of a 2016 article titled *The O9A Manual Of Style* in which some details of the manual were revealed:

"As mentioned to some correspondents over the years, those who are associated with the Falciferian O9A {7} have had an 'ONA Manual of Style' just as many older, established, newspapers (such as the Guardian and the New York Times) have their in-house manuals of style and usage. Such manuals are often updated every few decades, and are useful guides that enable printed items to have an 'in-house' style. Given the non-hierarchical structure and ethos of the O9A, the manual offers guidance, recommending best practice rather than giving rules which are expected to be followed.

The ONA manual deals not only with the specific - O9A assigned - meaning of certain words (such as nexion, presencing, mundanes, culling) but also with many other topics, such as (i) whether certain words - for example 'satanism' and 'satan' - should be with an upper or a lower case S, (ii) how titles and subtitles should appear (usually, and against current convention) with all words beginning with upper case), (iii) how footnotes should be numbered and displayed (usually numbered within curly brackets), (iv) how each page should be set out, (v) how texts should display the name of the author, and (vi) how the introduction to following paragraphs should be phrased, with suggestions ranging from 'However' to 'In addition' to 'Thus'

[...]

Initially compiled by 'Anton Long' in the early 1990s, the manual has gone through several editions, with one of its main functions being inspired by what was once termed the Aquino fallacy." {8}

Such an antinomian/dialectical/'sinister' purpose was mentioned by Anton Long in a 28th August 103yf [1992] letter to Temple of Set member David Austen who had repeated one of Aquino's claims, with Long writing that the intent was "to make people like you draw the conclusion you were intended to make." {9}

This means two hitherto overlooked important related things even though hints about them have been made in some O9A literature for decades, as for instance in numerous responses by O9A folk on internet forums and 'blogs' between 2014 and 2016. {10}

Firstly, that certain O9A texts whether written by Anton Long himself or by his students may have deliberately copied aspects of Myatt's style, formatting, grammar and spelling {11} in order to "make certain people draw the fallacious conclusion they were intended to make", and secondly that such a 'sinister' purpose combined with the use of the O9A manual of style was part of the O9A's Labyrinthos Mythologicus which implies

"myth-making; creating or concerned with mythology or myths; a mythical narrative, and is both (a) a modern and an amoral version of a technique often historically employed, world-wide among diverse cultures and traditions both esoteric and otherwise, to test and select candidates, and (b) a mischievous, japing, sly, and sometimes (for mundanes) an annoying, part of the O9A sinister dialectic." {12}

### **Conclusion**

The matter of proving the authorship of O9A texts published under the name Anton Long between the 1970s and 2012 (when Anton Long officially retired) is not only whimsical given the subjective nature of author profiling, the thousands of pages of texts, the O9A manual of style, and the dialectical japes of the Falciferian O9A involving imitating aspects of Myatt's style, formatting, grammar and spelling, but also indicative of the personal character of those desperate to prove that their fantasy that Myatt=Long is real and thus will vindicate their certitude of belief that their hatred of Myatt {13} is not bigotry but necessary given that they fancifully claim the O9A is an "evil", neo-nazi, terrorist organization dedicated to the overthrow of Western Judaeo-Christian society, whereas the reality is that they are bigots and that the O9A is a changing, evolving, subculture, a series of life-style choices, and not a group with members or a political agenda, neo-nazi or otherwise. {1}

But no doubt all this will not prevent them from continuing to try prove, by whatever subjective means, that their fantasy of Myatt=Long is real.

That you equate me/us with someone else who has posted about the O9A on some forum (which has since banned all discussion of the ONA) is both flattering and mildly amusing. Perhaps it's the still secret "ONA Manual Of Style" that keeps outsiders making such assumptions...

ooo

Since you've either forgotten, or more probably for propagandistic reasons have ignored, the reasoning then I'll explain it to you (and others).

Mr McD claimed to have knowledge of the O9A star game and offers to tutor people in it. Ms K asked for evidence of his experience and knowledge of said game, such as photographs of the advanced star game he has constructed, and also points out that he could not answer some basic questions previously asked of him about the star game - such as "what pieces you would place on the Mira board when the game is used to represent the current aeonic situation and how those pieces might change/move to re-present the beginning (by say, Vindex) of the presencing, predicted c. 2100 ev, that would be a practical manifestation of the logos of the O9A".

Thus Mr McD makes some claims about himself, and Ms K asks for evidence in support of such claims. Mr McD does not supply any such evidence. Instead, several people - committing the logical fallacy of ignoratio elenchi - ask for photographs of Ms K's own star game, and then proceed to claim (like shyster lawyers) that her failure to produce such evidence vindicates Mr McD's claims.

Since Mr McD still has not provided any evidence to support his claims, then the sagacious [subliminal note: "The O9A Manual of Style"] will doubtless conclude that there is no substance to them.

{7} As other O9A texts made clear by 'Falciferian O9A' was/is meant what was otherwise referred to as the O9A Old Guard, the Inner O9A, which consisted of the few students that Anton Long had personally advised between the 1970s and 2011.

{10} An enigmatic example of the dialectical O9A and its often mirthful Labyrinthos Mythologicus occurred on an internet forum in 2015 as the following screenshots reveal. The only public response was mundane but the poster did receive a PM (private message) from someone who understood and who subsequently embarked upon the O9A Seven Fold Way.

A final riposte. There is more genuine Satanism in the life and death of Bonnie and Clyde, in Lana Del Rey's 'Summertime Sadness', in the paintings of van Gogh, in the lives of Adolf Hitler and Leon Degrelle, than there is in all modern so-called satanic groups, temples, 'satanic' internet forums, articles - and all the lives and plebeian opinions of latter-day satanists - combined. IMO, only the Order of Nine Angles, in recent times, has captured at least something of that life-affirming, wordless, dark, adversarial, amoral, mirthful, strange, satanic essence.

*Are you for real?*

You know, you complain here that things have gotten boring and that you're bored and then - bang - along comes some O9A related stuff to enliven the forum and you respond in your own way, almost on cue :)

In another universe, along (yet again) comes N913 (aka the NC student), once discredited due to his youthful egoism but obviously having learned nothing vis-a-vis self-honesty and knowledge - for "tomorrow and tomorrow and tomorrow" - and he thus continues (almost on cue) to regurgitate his egoistic, masculous, ipseity vis-a-vis the O9A. Contra, of course, the Order of Nine Angles (omega9alpha) balance of masculous and muliebral.

What larks, eh? What adversarial japes are afoot? What presencing - however mundane and temporal - of a particular sinister dialectic?

Now, either you "get this" or you don't. Hints - (i) Bartok, "Music for Strings, Percussion, and Celeste", (ii) Monas Hieroglyphica (Antwerp, 1564), especially Theorem XVIII.

But no doubt you - and others - will most probably not understand never mind not desire to decrypt such esoteric clues. For plebeian physis is just so prevalent among latter-day satanists and those who describe themselves as following the LHP and those who self-identify with the ONA.

Thus such failure to not so esoterically understand is just so indicative: of modern 'Satanists' and of those who profess to follow the LHP and especially of those who profess to be - or to understand - the Order of Nine Angles.

Meanwhile, "we" are most amused. Therefore, do carry on, as no doubt N913 et al will carry on. Epic failure, in terms of ἱερός Λόγος...

{11} Such as the archaic spelling of 'develope' in the text *Enantiodromia - The Sinister Abyssal Nexion* included in *The Definitive Guide To The Order of Nine Angles* available at [https://archive.org/download/definitive-guide-to-the-order-of-nine-angles\\_202201/definitive-guide-to-the-order-of-nine-angles.pdf](https://archive.org/download/definitive-guide-to-the-order-of-nine-angles_202201/definitive-guide-to-the-order-of-nine-angles.pdf)

The 1460 page guide contains dozens of texts written by Anton Long, such as *The Geryne of Satan and Magick, The Sinister, Aeons, and The Psyche of The Folk*. It also contains dozens and dozens of other O9A texts not written by Anton Long.
